*Charming restored barns in beautiful countryside – easily accessible from the major towns and cities in the south Midlands.*

This delightful venue, available for weddings and civil partnership ceremonies, has been imaginatively and artistically restored to the highest possible standards, with under floor heating and air conditioning throughout.

The L-shaped barns are located on a working farm, close to the church, and centred round a charming, flower-filled *Courtyard* that is perfect for a drinks reception.

The atmosphere at this venue is friendly and supportive. The owners go out of their way to make you welcome and their inspiration, vision and style has created a truly exceptional, natural venue.

## *Licensed for Civil Ceremonies*

*Ceremonies* take place in the *Granary Barn* – an impressive, high, vaulted room with a minstrel's gallery and decorative brickwork. This barn is light and bright, warm and fresh. **To book your civil ceremony please contact the Registrar on 01684 573000.**

For *dining* up to 110 guests can be seated in *Barley Barn*. The mellow beams and artistic lighting contribute to the welcoming, traditional character of this barn.

The very pretty *Granary Cottage* completes the home-from-home atmosphere. Beautifully restored like the barns, it offers overnight accommodation for the wedding couple only.
