

At Galloping Gourmet we are always delighted to hear back from our clients. Rarely a day goes by when we don't receive a note, a telephone call or an email from our very happy customers and of course it is *always* hugely satisfying to hear how much the whole event experience from the initial planning meetings to the Big Day itself has been a greatly enjoyable experience.

At our latest awards ceremony it was particularly gratifying to know that our customers had voted in overwhelming numbers for us as the nation's best Wedding Caterer. The **Wrapit Wedding Industry Awards**, in association with **Condé Nast Brides** and **Wedgwood**, recognises service excellence across 11 categories nationally within the wedding industry with all the finalists selected on not just the volume, but the *quality* of votes received. Not only were our clients extremely satisfied you see, they were absolutely delighted!

So, whether your wedding is in Central London, Surrey, Essex or the Midlands, our friendly team of wedding specialists looks forward to receiving the accolade of your own personal review soon too.

Galloping Gourmet's happy team!
